JOBS FOR MUMS: 'THE WOMEN BUSINESS DIRECTORY'

This is to confirm that the St Jeanne Antide Foundation shall be receiving, as a donation, 100% of the signing-up fee from the businesses who register their business with *Jobs for Mums: 'The Women Business Directory'*.

Thanks to these funds, the St Jeanne Antide Foundation can continue to support vulnerable women and girls to become self-empowered through non-formal learning, mentoring and support groups. Through these supports, women are encouraged to take up artistic, educational, psycho-social development and career pursuits that promote and lead to women's healing, personal growth and financial independence.

Thank you for your support!
